Payrite is here!

Dear Valued Client

Softrite is proud to announce the launch of Payrite, our new cloud-based payroll system, and to invite you to an exclusive preview and demonstration on the 12th of November 2026 at Royal Harare at 3pm, ahead of going live early next year.

For over 42 years, Softrite has processed payroll for more than 500 businesses across Zimbabwe through Adaski. Payrite is the next chapter: the payroll expertise you rely on, reimagined, built from the ground up to change how payroll is run in Zimbabwe.

And to be clear: Adaski is not being written off. It remains fully supported and maintained for every client who chooses to stay on it. Payrite is an additional option, not a replacement. At the session, we will walk you through how the system works and what it means for you, including how we will support you through the transition.

Places are limited and attendance is by RSVP only, so please confirm your seat as soon as possible using this link - Sign up here or clicking the RSVP button below.

Looking forward to seeing you there!

Best Regards,

Team Softrite

Please email Jackie, Karen, Stephanie, Adam, Vicky (Byo) for any support concerns you might have. For any accounting concerns, please email Hazel or Angela (Byo). Secretary: Amanda
